T75905 8pc 10Lb Dent Puller Set

This tool

work without

having to extract vehicle's inside panels and upholsteries.

A 10 pound slide hammer and a variety of tapered attachments easily pulls dented or creased sheet metals back into place.

The long shaft allows more space to pull the hammer, therefore resulting in a powerful pulling force in hard-to-reach dented areas such as door panels, side panels, fenders, and roof.

T75902 12Lb Dent Puller Set

Quickly

having to extract vehicle's inside panels and upholsteries

- Heavy-duty parts construction for strength and durability
- 12 lb square hammer design prevents rolling away out of reach
- Variety of tapered attachments easily pulls dented or creased sheet metals back into place
- Solid 5/8" slide shaft allows space to pull hammer, resulting in a powerful pulling force in hard-to-reach dented areas such as door panels, side panels, fenders and roof

T75930 Multi Purpose Auto Repair Kit

Conve

in no time

Includes:

- 1 - Slide Hammer
- 1 - Glue Gun 100-240V, 40W
- 2 - Glue stickers
- 4 - Adapters
- 1 - Scraper
