“Super Grip” Screwdrivers

Super Grip features a large handle that fits all regions of the hand. The soft, surrounding, cushioned handle prevents slippage even with oily hands. The dotted design on the handle ensures a slip-resistant grip that allows for easy, comfortable, and accurate driving.

“Jumbo Grip” Screwdrivers

Jumbo Grip consists of a large handle made of high quality cellulose acetate plastic that resists breakage and wear. The handle is specially designed to provide both a better grip and stable drive. The shank of Chrome Vanadium steel and fully tempered blade ensure the maximum torsional strength possible.

Positive Grip Handle with High Torsional Strength

Hardened Blade for Strength and Durability

Hang Hole for Extra Torque and Easy Storage
