

## “Super Grip” Screwdrivers

*Super Grip features a large handle that fits all regions of the hand. The soft, surrounding, cushioned handle prevents slippage even with oily hands. The dotted design on the handle ensures a slip-resistant grip that allows for easy, comfortable, and accurate driving.*

### Slotted Screwdrivers:

Model	Blade Diameter x Length
<b>T32001</b>	4.0mm x 80mm (5/32" x 3-1/8")
